WHAT TO EXPECT FROM THE 2ND ANNUAL NATIONAL WRAPAROUND IMPLEMENTATION ACADEMY

John Ossowski   *Marlene Matarese*   *Michelle Zabel*

Jennifer Schurer Coldiron   *Janet Walker*

Agenda

- Overview of the Academy structure and schedule
  - (John Ossowski)
- Overview of various Academy tracks
  - (Marlene Matarese, Michelle Zabel, Jennifer Schurer Coldiron, Janet Walker)
- Q & A
  - (you!)

Academy Structure – Day 1

Day 1: Intensive Workshops

Welcome and Plenary (John VanDenBerg, Welcome by Gary Blau)

Six day-long intensive trainings with two networking breaks and lunch in between:
- Foundations for Wraparound Facilitators
- Setting the Stage: Supervision for Care Coordination
- System Design, Financing, Policy-Making, and Management
- Supporting Youth and Young Adults in Wraparound
- Building Skills in Parent Peer-to-Peer Support
- Evaluation, Research, and Outcomes Management

Note: Participants choose one of the trainings for the entire day.

Academy Structure – Days 2 & 3

Day 2 & 3: Skill-Building Sessions

- 90-minute skill building sessions to address the diverse attendee meeting goals
- Other activities:
  - Panel focused on parent and youth peer-to-peer support
  - Opportunities for individualized technical assistance

Day 1—Foundations For Wraparound Facilitators

- Part I: 911 What's Your Emergency: Crisis Planning in Wraparound

- Part 2: Helping Families Tell Their Story Through Family Narratives – The Foundation Of Wraparound

- Part 3: Helping Families Tell Their Story Through Family Narratives – The Foundation Of Wraparound

Day 1—Setting The Stage: Supervision For Care Coordination

- Part I: What Kind of Leader Are You? What it Takes to Make Wraparound Implementation Successful

- Part 2 & 3: You Gotta Know When to Hold 'em and When to Fold 'em: Hiring and Retention of Care Coordinators

Day 1—Building Skills In Parent Peer-To-Peer Support

- Part I: The Parent's Journey and Peer Support

- Part 2 & 3: Meta-Skills and Authentic Peer Parent Support

Day 1 – Supporting Youth and Young Adults in Wraparound

- Research-based strategies for engaging youth and young adults in Wraparound
  - Provides information about—and opportunities to practice—research-based skills and techniques
  - Introduces core techniques useful for the work of peer support specialists, care coordinators or behavioral support providers.
  - Covers peer-specific skills and techniques.

Day 1— System Design, Financing, Policy-Making, and Management

- Part I: What the Data Tell Us, How to Use Your Own Data and What to Do With It

- Part 2: Organizing A Care Coordination Structure That Works

- Part 3: Financing Care Coordination Using Wraparound

Day 1 – Evaluation, Research, and Outcomes Management

- Evaluating Wraparound's Quality and Impact
  - Part I: Determining Your Information and Data Needs
  - Part 2: Choosing Measures and Data Collection Methods
  - Part 3: Analyzing And Communicating Your Data For Maximum Impact

Days 2-3 Sessions

- Research and Evaluation
- Care coordination
- Financing
- System design
- Supervision
- Family and youth run organizations
- Cultural and linguistic responsiveness
- System collaboration and integration
- Advances in peer support
- Best practices in wraparound
- Technology

Round Tables and Individualized Technical Assistance

- Facilitated small group dialogue on specific topics such as youth leadership, high turnover rates, financing and system design, increasing research response rates, etc.

- Opportunities to meet individually or as a team with national experts to discuss specific challenges you are experiencing
