What do you think your biggest need is, Stevie?

I need to be a WWE Superstar when I grow up!

I don't think that is what he means, Stevie.

That's okay. Stevie and I can work on that later.

Later on.

Okay, Stevie. How about your WWE name?

I will be Kasar, Lord of Disaster.

Champion of the world.

Okay champion of the world. Let's find some cardboard and make you a championship belt.

Even later.

Ralph, I'm not sure that I want to be a WWE Superstar no more.

Do you have something else in mind?

How could I become a biochemist?

Oh, boy.
