

Transition Plan

Student/family name: Nina R.	Facilitator name: Sharon	Date: 4/11/11
--	------------------------------------	-------------------------

Team goal:

Accomplishments:

(What has the student and family achieved with the support of the team?)

- **Nina is now a volunteer moderator for her on-line support group. She hasn't cut herself in 11 weeks.**
- **Jack and Nina report their relationship is better. Jack is more aware of the cutting behavior and seeks Nina out when she appears sad or distant.**
- **Nina and her Aunt Nancy communicate via phone and Facebook. Jack and Aunt Nancy are working on plans to have Nina come for a visit.**
- **Nina and Olivia each lunch together most days. They see each other frequently in the evening and on weekends.**
- **Nina's school attendance is at 95% since the semester began.**
