LAST ISSUE, WE MET JOHNNY CHOS.

AND WE GOT A SMALL GRIPOINTO WHAT'S GOING ON.

THIS ISSUE, WE'LL GET A CLOSER LOOK AT THE FAMILY AND THEIR STRENGTHS.

AND WE'LL GET TO KNOW MORE OF JOHNNY.

AND GET A TASTE OF HIS FAMILY'S CULTURE.

WE'LL IDENTIFY SOME NEEDS.

THE JOURNEY CONTINUES.
SOCIETY IS A DISGRUNTLED REFLECTION OF MY OWN INFILCTION.

IT WATCHES WITH CRITICAL EYE.

WAITING FOR ME TO BREAK.

I AM ONLY A HEATHEN.

NOT A FRIEND TO CONSIDER IN.

LET ALONE A WALL TO LEAN AGAINST.

BUT ONE DAY WILL BREAK.

SNAP SNAP SNAP

I WILL REACH MY ZENITH.

I WILL GET THROUGH THIS...

I PROMISE!

THE END.
So, here's what we're going to do! This will be our strength ball.

Mom is a good talker. She can talk to anyone, any day, and people will cling to her.

Kelsy is an extremely good improviser. What we might consider junk, she considers gold. She can make use out of anything.

Pop is good at fixing things, nobody can fix things like Pop can. He's good at whistling songs, too!

Grandma is very humorous. She likes to laugh and joke around. She cracks everybody up.

Coach B is strong willed and sticks to what he believes in, no matter what the cost.

Bob is hopeful and ambitious. Anatural coach through and through.

Great job everyone. So, Johnny, what was one good thing that happened today?

Umm...Yeah! I met a new friend today, Stu. He's even nuttier than me!

Haha, that's great, Johnny!

Thanks, dawg.
