So, here's what we're going to do!

This will be our strength ball.

Mom is a good talker. She can talk to anyone, any day, and people will cling to her.

Kelsy is an extremely good improviser. What we might consider junk, she considers gold. She can make use out of anything.

Pop is good at fixing things. Nobody can fix things like Pop can. He's good at whispering songs, too!

Grandma is very humorous. She likes to laugh and joke around, she cracks everybody up.

Coach B. is strong willed and sticks to what he believes in, no matter what the cost.

Bob is hopeful and ambitious. Anatural coach through and through.

Great job everyone. So, Johnny, what was one good thing that happened today?

Umm...Yeah! I met a new friend today. Stu. He's even nuttier than me!

Haha, that's great, Johnny!

Thanks, Dawg.
