

WERT/NWIC Tools & Implementation Phases

	NWIC Site?	<u>Phase 1</u> Pre-Implementation	<u>Phase 2</u> Implementation	<u>Phase 3</u> Sustainment
Implementation Support / Workforce Development	NWIC	Sites use NWIC hiring guide and train staff using NWIC resources. IOTTA – <i>measures impact of trainings for cc's/sups</i> W-SIC – <i>continuous</i>	COMET — <i>coaching existing care coordinators (CC)/train local coaches to become certified</i> IOTTA – <i>measures impact of trainings for CC's/sups.</i> W-SIC – <i>continuous</i> STEPS, CREST, SAS & CUBE – <i>for supervisors</i>	Local coaches maintain NWIC certification and use NWIC tools in local training and coaching (potentially COMET/IOTTA). W-SIC – <i>until completed</i>
	Non-NWIC	No tool – just a tip: Find training, coaching and supervision support through another entity or develop your own – based on Wraparound Principals and key elements. Need some sort of standardized system.	Continue to train, coach and supervise as needed	Continue to train, coach and supervise staff
Environment (inner & outer settings)	NWIC	WISS – <i>baseline – 2 quarters</i> WISP – <i>baseline – 2 quarters</i>	WISS – <i>Quarterly</i> WISP – <i>Quarterly</i>	WISS – <i>quarterly and then move to Annually</i> WISP – <i>quarterly then move to Annually</i>
	Non-NWIC	Choose to: Use a WERT resource: <ul style="list-style-type: none"> • WIPS Tool • WrapSTAR Process Or - Self-administer WISS/WISP –freely avail. Or - Develop own assessment using: <ul style="list-style-type: none"> • Wraparound Practice Standards 	Whatever route is chosen – we recommend re-assessing supportiveness of program and state environment and continuing to make needed changes – at least once a year	Same as in Phase 2
Program Fidelity	NWIC	Prepare for administering Fidelity assessments: <ul style="list-style-type: none"> • Identify assessments will use – we recommend at least using both the WFI-EZ and DART 1.0 • Train staff on administration& data collection • Determine sampling plan • Prepare scripts and protocols, incentives etc. 	If a small program (<25) administer to all youth, otherwise administer to a random sample of youth. WFI-EZ – <i>(administered at 3-9 months in Wraparound)</i> DART 1.0 – <i>(ideally administered at post discharge)</i> <i>(NOTE: TOM 2.0 not recommended since will have more detailed COMET data which can be used for essentially the same purposes)</i>	Annually? WFI-EZ — <i>assess team members' satisfact. w/ process</i> TOM2.0 – <i>If no longer using COMET</i> DART 1.0 – to ensure needed documentation is occurring and program is maintaining or improving its fidelity
	Non-NWIC	Choose to: License and use WERT Tool(s) <ul style="list-style-type: none"> • WFI-EZ • TOM 2.0 and/or • DART 1.0 Or use other Fidelity tools out there?? (Vroom?) Or develop own assessment using: <ul style="list-style-type: none"> • Wraparound Practice Standards 	If use WERT Tools – process is same as above. Recommend using one or more of the following: WFI-EZ DART 1.0 TOM 2.0 - <i>(administered at 3-4 months)</i>	If using WERT – process is same as above.

Satisfaction	NWIC	Recommend preparing to use the WI-EZ	WI-EZ – with at least caregiver	WI-EZ – with at least caregiver
	Non-NWIC	Recommend WFI-EZ	Recommend WFI-EZ	Recommend WFI-EZ
Outcomes	NWIC	Prepare for administering assessments. WFI-EZ and/or DART 1.0	<p>WFI-EZ – has some early measures DART 1.0 – may include discharge outcomes WrapStat – will include enrollment, LOS, discharge data, care coordinator turnover.</p> <p>May also want to include data from other systems depending on which system is initiating this effort. Could be from child welfare, Medicaid, children’s mental health. Juvenile Justice, and/or Dept of Education.</p>	Continue to collect data and monitor progress or drift at least annually
	Non-NWIC	No tool – just a tip: Determine what types of outcomes data you will need to support program/grant/sustainability.	<p>Collect program data to understand:</p> <ul style="list-style-type: none"> • eligibility criteria/referral processes • number of kids served • Avg. length in Wraparound • Reasons for discharged (% successful) <p>Amount of turnover in staff</p>	Continue to collect and assess data annually. Use for CQI and to help with funding/sustainment

NWIC/WERT TOOL ABBREVIATIONS

COMET	NWIC	Coaching Observation Measure for Effective Teams
CREST	NWIC	Coaching Response for Effective Skill Transfer
CSWI	WERT	Community Supports for Wraparound Inventory
CUBE	NWIC	Coaching to Unlock Barriers to Excellence (CUBE) for supervision of coaches and supervisors*
DART 2.0	WERT	Document Assessment and Review Tool
IOTTA	NWIC	Impact of Training and Technical Assistance
STEPS	NWIC	Supportive Transfer of Essential Practice Skills (STEPS)
SAS	NWIC	Supervisory Assessment System
TOM 2.0	WERT	Team Observation Measure
WFI-EZ	WERT	Wraparound Fidelity Index – short form (WFI-EZ)
WIPS	WERT	Wraparound Practice Implementation Standards
WISP	NWIC?	Wraparound Implementation Standards-Program
WISS	NWIC?	Wraparound Implementation Standards-System
WrapStar	WERT	Wraparound Structured Assessment and Review
W-SIC	BOTH	Wraparound Stages of Implementation Completion
